

From the Mouth of God

Lesson Four

1. What is the doctrine of divine accommodation?

2. Why is divine accommodation necessary?

3. Ferguson notes that the New Testament was not written in classical Greek but in *koine* or *common* Greek. What is the difference and why is this important?

4. What are the immediate implications of divine accommodation with regard to how we read and study the Bible?

5. In what three predominant ways is Scripture often mishandled in terms of its interpretation?

a.

b.

c.
