

# From the Mouth of God

## Lesson Eighteen

- 1. Ferguson suggests that our hearing the word of God properly involves four critical elements. What are they and how are they important?**
- 2. Ferguson suggests that modern information technology has had a detrimental effect on many believers. How so?**
- 3. In what way is the parable of the sower the “parable of parables”? What is its main emphasis?**
- 4. What are the four kinds of soil in Jesus’ parable of the sower? How does this parable explain how people react differently to the gospel?**
